Success

is the opposite of success—it's when something doesn't go as planned or you don't achieve your goal.

Opportunity

is a chance to do something that can lead to growth, improvement, or achieving a goal.

Failure

is the belief in your own abilities or the certainty that you can handle challenges effectively.

Confidence

physical or mental activity needed to achieve something

Competence

the ability to do something well often because of knowledge, skill, and experience

Effort

is achieving a desired goal or reaching a point where your efforts and hard work result in something positive
