PART 5 READING

Read the text about laptops. Choose the best answers (A, B, C or D).

Laptop computers or notebook computers play an important role in modern society. They allow you to easily access the Internet, save documents, and play video games. They are also more affordable than ever before, with prices ranging from basic to powerful gaming ones.

The main advantage of a laptop is its convenience to carry around. Laptops or notebook computers are much smaller than desktop computers. They use around 80% less electricity than desktop computers, so they don't require much electricity. This makes them ideal for students, businesspeople, and anyone who needs to **work remotely**.

Laptops or notebook computers are also great for multitasking. Many models come with different cores, allowing users to run multiple programs at the same time. This can be especially helpful for people who need to work on multiple projects at the same time. Finally, laptops have various features that make them easier to use. They often come with touchscreens, backlit keyboards, and other features that make them more convenient and useful.

It's safe to say that laptops are a great tool for anyone who needs to stay connected and productive while on the go. They are more affordable than ever, and they have many features that make them easier to use.

18. What is the best title for the passage?

- A. Laptop – a great tool for business

D.Laptop – the best choice for work and education

19. Which has the **OPPOSITE** meaning to the word **affordable** in paragraph 1?

- A.low-cost B.expensive C. cheap D. fair

20. Which has the **CLOSEST** meaning to the phrase **work remotely** in paragraph 2?

- A. work from anywhere B.work in foreign countries
C. work alone D.work from home

21. What does the word **This** in paragraph 3 refer to?

- A.that laptops have different features
B.that laptops have different models
C.that laptops have different programs
D.that laptops have different cores

22. Which is NOT true according to the passage?

- A. Laptops help people organize their work and studies.
B. Desktop computers consume more electricity than laptops.
C.Laptops with more features are difficult to use.
D. Laptops bring everyone together and make it easier to get things done.

Read part of a short story. Choose the best word or phrase for each space.

Zog checked all the information on the computer screens of his spaceship. He was making an approach to Venus after traveling more than 70 million miles from Mars. That planet was too cold, and he expected the (23)_____ on this one to be too high. However, his job was to visit all the planets in the Sun's system in the next 150 years.

Zog's spaceship was not like the UFOs which often visited the Earth – the Earth people called them flying saucers. Instead, it looked like an ice-cream cone – (24)_____, with lights all around the bottom.

Zog was ready to land on Venus. He found a flat area and stopped the spaceship. For a few minutes, he (25)_____ over one spot, then he went down and touched the ground.

His computer told him that there were aliens in the area, but it had no data on their size. Zog looked out of one of the windows and saw them for the first time. At first, he thought they were very small, but then he realized they were still a long way away. As they came closer, he saw that they were actually (26)_____, and there were hundreds of them! He made a quick decision, pushed some buttons and rose from the ground, high above the crowd. He pushed some more buttons and set a course for his next planet, (27)_____.

- (23) A. temperature B. gravity C. oxygen D. water
- (24) A. circular B. disk-shaped C. triangular D. square
- (25) A. flew B. hovered C. drove D. rode
- (26) A. huge B. tiny C. crowded D. terrified
- (27) A. Mars B. Venus C. the Moon D. the Earth
