The Venn diagram shows the sets P and Q contained in the universal set 8.

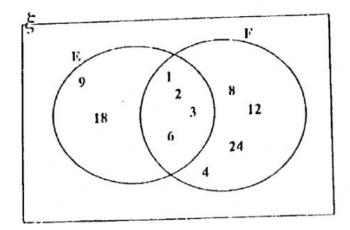

| (a) List the elements in the se |
|---------------------------------|
|---------------------------------|

(b)

(ii)  $n(P' \cap Q')$ . Answer: \_\_\_\_\_\_\_\_[1]

 The Venn diagram below shows the set of factors of 18 (E) and 24 (F). Use the diagram below to answer the questions.

List

| (a) | (i) | the members of E. |
|-----|-----|-------------------|
|-----|-----|-------------------|

| Answer: {} } | 2 |
|--------------|---|
|--------------|---|

(ii) the members of F only.

| Answer:  | <br>} | 2 |   |
|----------|-------|---|---|
| MIISWCI. |       |   | • |

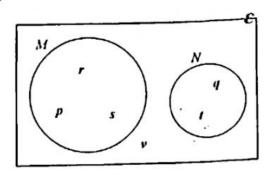

(iii) the common factors of 18 and 24.

|         | 1.                                    | •  | ı |
|---------|---------------------------------------|----|---|
| Answer: | I I I I I I I I I I I I I I I I I I I | /  |   |
| MUSWEL. |                                       | -, |   |

(b) Write down the HCF of 18 and 24.

|      |  |      |   | 11 |
|------|--|------|---|----|
| 1783 |  | 77.5 | 500000000000000000000000000000000000000 | [1 |
|      | -5-15-15-15-15-15-15-15-15-15-15-15-15-1 |      |   |    |

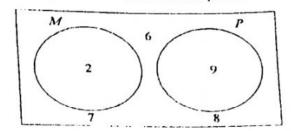

The Venn diagram shows the sets M and N contained in the universal set  $\mathcal{E}$ .

| (a) | List th | e elements in the | set     |     |
|-----|---------|-------------------|---------|-----|
|     | (i)     | $M \cup N$ ,      |         |     |
|     |         |                   | Answer: | [1] |
|     | (ii)    | $M \cap N$        |         |     |
|     |         |                   | Answer: | [1] |
|     | (iii)   | N'.               |         |     |
|     |         |                   | Answer: | [1] |
| (b) | Write   | down the value of | f       |     |
|     | (i)     | n(M),             |         |     |
|     |         |                   | Answer: | [1  |
|     | (ii)    | $n(M'\cap N')$ .  |         |     |
|     |         |                   | Answer: |     |

15. Use the Venn diagram below to answer the questions which follow.

List the member(s) of

| Cist till | member(s)    | ot        |  |
|-----------|--------------|-----------|--|
| (i)       | M,           |           |  |
|           |              | Answer: ( |  |
| (ii)      | P,           |           |  |
|           |              | Answer: { |  |
| (iii)     | $M \cup P$ , |           |  |
|           |              | Answer: ( |  |
| (iv)      | $M \cap P$ , |           |  |
|           |              | Answer: { |  |
| (v)       | M,           |           |  |
|           |              | Answer: { |  |
| (vi)      | ε.           |           |  |
|           |              |           |  |

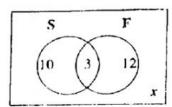

Answer: {\_\_

|     | (6, 8, 14) Using the sets above, state whether each statement is t  | rue or fa |
|-----|---|-----------|
| (a) |   |           |
|     | (i) 8 ∉ Y   |           |
|     | Answer:   |           |
|     | (ii) $\{4,6\} \subseteq X$  |           |
|     | Answer:   |           |
| (b) | List the members of   |           |
|     | (i) X∪Y   |           |
|     |   |           |
|     | Answer:   |           |
|     | (ii) Y  |           |
|     |   |           |
|     | Answer:   |           |
|     | (iii) $n(x)'$   |           |
|     |   |           |
|     | Answer:   |           |
|     | (iv) $X \cap Y$   |           |
|     | Answer:   |           |
| (c) | Complete the Venn diagram, writing each member of X correct region. | and Y is  |
|     | ε   |           |
|     | x y   |           |
|     |   |           |
|     |   |           |
|     |   |           |
|     |   |           |

The Venn diagram represents 30 students of grade 9 who study Spanish (S) and French (F).

(i) Calculate the value of x.

|          | 10  | ١ |
|----------|-----|---|
| Answer:  | 12  | 1 |
| Milawel. | , - | , |

(ii) How many students study both Spanish and French?

Answer: [1]

(iii) How many students study Spanish?

Answer: [2]
