**Sarah:** Hey Jake! Guess what? I just got back from my trip to Italy! It was incredible!

**Jake:** Wow, Italy? That's amazing! I wish I could travel, but I \_\_\_\_\_ clean my apartment first. I'm sweeping the floor, doing \_\_\_\_\_, and I still \_\_\_\_\_.

**Sarah:** Ugh, I know the feeling! After my trip, I had to unpack, do tons of laundry, and \_\_\_\_\_ the living room. You \_\_\_\_\_ always plan an extra day just to catch up on chores after traveling!

**Jake:** That's a good tip! So, how was the trip? Did everything go smoothly?

**Sarah:** It was amazing! I \_\_\_\_\_ my flight and hotel in advance, so I didn't \_\_\_\_\_ worry about last-minute reservations. I even rented a car to explore the Amalfi Coast—best decision ever!

**Jake:** That sounds incredible! Did you \_\_\_\_\_ go through long security lines at the airport? That's my least favorite part of traveling.

**Sarah:** Oh yes, the airport was packed! You \_\_\_\_\_ arrive early to avoid the stress. And my layover was exhausting—I had to wait for hours!

**Jake:** Ugh, that sounds tough. Meanwhile, I'm here \_\_\_\_\_ and \_\_\_\_\_ the floor. My life is so glamorous.

**Sarah:** Haha! Well, at least you're being responsible. But hey, you \_\_\_\_\_ start planning a trip! You deserve a break.

**Jake:** I'd love to, but first, I \_\_\_\_\_ finish my chores. I still have to vacuum, fold my clothes, and scrub the bathroom.

**Sarah:** Sounds like a lot of work! Want to trade? You do my unpacking, and I'll do your dishes!

**Jake:** Tempting, but I don't think you'd survive my messy apartment. So, where's your next trip?

**Sarah:** I'm thinking of going to Japan next year! But before that, I \_\_\_\_\_ save money—and that means no unnecessary spending.

**Jake:** Smart move! Maybe I \_\_\_\_\_ start saving too. But first, I \_\_\_\_\_ finish \_\_\_\_\_ bed.

**Sarah:** Haha! Good luck with that! Let's plan a trip together soon!

**Jake:** Deal! As long as you promise to help me with my chores next time!

**Sarah:** We'll see about that! 😊
