I don't wanna save ya, don't wanna be .....

Let me feel like you know what to do

Leave your limitations, live and ..... against them

Just let go and start up something .....

'Cause I know, I know, I know that what you planned out

..... that you built up isn't what you want

And I know, I know, I know the life you're living

Isn't that fulfilling, let me ..... you out

Lay your love on .....

Leave your head, and

Let your ..... be free

Save yourself, and

Leave the words you've ....., 'cause

Some dreams are meant to be broken

Tear down all your visions, go against the feeling

Make them .....like gravel to the floor

Only when the dust sets you will start to regret

All the things that you've been ..... for
