Blogs and the history of blogging

A blog can perhaps be best described as a website that consists of a kind of journal that is regularly updated. Blogs cover a very wide variety of topics and many of them are personal diaries. Blogs are usually not **1**..... because they have interactive elements, which may lead to friendships or even **2**..... between people. The first 'blog' was probably created in 1994 by a student and he called it his **3** Similar websites were then created and these included both links and **4**..... In 1999, someone changed the term used for these websites by creating the phrase '**5**.....' and therefore invented the term 'blog'.
