Complete the paragraph with the correct words from the word bank. You do not need to use all the words.

either none both all ourselves every each neither yourself myself

Although _____ of my two best friends likes traveling, _____ of my brothers and sisters do. So _____ year, we book _____ a vacation together to a new destination. The great thing is that _____ of us drives there. We always travel by _____ bus or train. I love _____ those options as they're more relaxing than driving. We meet _____ other at our parents' house the night before our trip and we have a big meal together. The next day, we set off on our adventure!

Put the statements from an email in the correct order.

I don't think they've done anything right since they arrived – let me give you some examples.

Also, they spend so much time taking photos everywhere we visit.

First of all, they're always late for meals and they usually complain about the food.

I've suggested that only one of them takes a camera each day to cut down on time!

P.S. I hope your tourists are better than mine!

Hi Paolo! Mr. and Mrs. W are the worst tourists I've ever
