

I collect postcards. I've collected them
1 a long time. I started when
I was six and I'm thirteen now, so I've had this
hobby 2 seven years. I started
when my uncle sent me a postcard from Madrid.
He 3 visited a penfriend there
every year 4 he was a teenager.
All my friends and family 5
sent me postcards 6 then.
My favourite is a postcard
that 7
been on my bedroom wall
8 I was
ten. It's a photo of
New Zealand.
