

# Avril Lavigne - I'm with you

Listen to the song, and fill the gaps with one of the following indefinite pronouns:

anybody   anyone   everything (x2)   no-one   nothing (x2)   somebody   &   somewhere (x2)

I'm standing on a bridge  
I'm waiting in the dark  
I thought that you'd be here by now  
There's <sup>1</sup> \_\_\_\_\_ but the rain  
No footsteps on the ground  
I'm listening but there's no sound

Isn't <sup>2</sup> \_\_\_\_\_ trying to find me?  
Won't <sup>3</sup> \_\_\_\_\_ come take me home  
It's a damn cold night  
Trying to figure out this life  
Won't you take me by the hand  
Take me <sup>4</sup> \_\_\_\_\_ new  
I don't know who you are  
But I, I'm with you

I'm looking for a place  
I'm searching for a face  
Is <sup>5</sup> \_\_\_\_\_ here I know  
'Cause <sup>6</sup> \_\_\_\_\_'s going right  
And <sup>7</sup> \_\_\_\_\_'s a mess  
And <sup>8</sup> \_\_\_\_\_ likes to be alone

Oh why is <sup>9</sup> \_\_\_\_\_ so confusing  
Maybe I'm just out of my mind  
Yeah yeah yeah

It's a damn cold night  
Trying to figure out this life  
Won't you take me by the hand  
Take me <sup>10</sup> \_\_\_\_\_ new  
I don't know who you are  
But I, I'm with you

Take me by the hand  
Take me <sup>11</sup> \_\_\_\_\_ new  
I don't know who you are  
But I, I'm with you  
I'm with you
