You have received a letter from your English-speaking pen friend, Harry. *….Frankly, I don't understand why some people like classical music. I adore rock and usually listen to it on my way home from school. If my favourite band comes to our town, I'll definitely go to their concert…* *….What kind of music do you like? Do you think it is necessary to have music lessons at school, why? What musical instrument would you like to play?…*

...My parents want me to do music. It's not what I really want to do but I have no choice. I've promised my parents to take at least 20 lessons. It means I won't have any free time for about three months! Awful, isn't it?... *... What do you do in your free time? What kind of music do you like? What musical instrument would you like to play, if any?...*
