Subject: Music

You have received a letter from your English-speaking pen friend, Harry.

...Frankly, I don't understand why some people like classical music. I adore rock and usually listen to it on my way home from school. If my favourite band comes to our town, I'll definitely go to their concert...

...What kind of music do you like? Do you think it is necessary to have music lessons at school, why? What musical instrument would you like to play?...

Subject: Free time and music

...My parents want me to do music. It's not what I really want to do but I have no choice. I've promised my parents to take at least 20 lessons. It means I won't have any free time for about three months! Awful, isn't it?...

... What do you do in your free time? What kind of music do you like? What musical instrument would you like to play, if any?...
