4. I _____ (not tell) him the truth if I _____ (know) you would be angry.

Transform the following sentences into their passive voice. Remember that if there are two objects in the sentence, you can choose whichever you want to make it the subject of the passive sentence.

1. We must look into the question.

2. Someone reads the newspaper to him every day.

3. The Chinese discovered acupuncture thousands of years ago.

4. Has he given you back the book yet?

5. They must have left the keys behind.

6. Where did they find the book?

7. The boy is eating a sandwich.

8. The guide will show us the Natural Museum in the afternoon.

Complete the following text with the correct present or past simple voice of the verbs in the box.

give	kill	make	need	not protect	not understand
------	------	------	------	-------------	----------------
