

"Luck" Valley vs. Mountain Comparison

**Part 1:** Take notes on the similarities and differences between the valley and the mountain the drama "Luck." What is the experience like living in the two different places?

**Part 2:** Write four sentences that compare the valley and the mountain using **comparative adjectives**. One example is provided. (If you don't remember the rules for forming comparative adjectives, revisit yesterday's homework page!)

1. The valley is darker than the mountain.
