4 Read, look and number the pictures.

Snorkeling for Kids

Can you swim? Then you can learn to snorkel!

- It's a good idea to practice at home. Take the mask and fit it on your face. It's not comfortable initially! Practice breathing with the snorkel.
- On your vacation, practice in a quiet swimming pool first. You need to feel comfortable with your snorkel. Check that there is no water in your mask. Then you can go to the ocean. Never go alone; always have a parent with you.

♦ Read and write *should* or *shouldn't*.
