

Florence + the Machine

**Bird Song**

SONG WORKSHEET

[Verse]

Well, I didn't tell 1. \_\_\_\_\_, but a bird flew by  
Saw what I'd done, he set up a nest 2. \_\_\_\_\_  
And he sang 3. \_\_\_\_\_ what I'd become  
He sang so loud, sang so 4. \_\_\_\_\_  
I was afraid all the 5. \_\_\_\_\_ would hear  
So I invited him in, just to reason with 6. \_\_\_\_\_  
I 7. \_\_\_\_\_ I wouldn't do it again  
But he 8. \_\_\_\_\_ louder and louder inside the house  
And no I couldn't get him out  
So I trapped him under a cardboard 9. \_\_\_\_\_  
Stood on it to make him 10. \_\_\_\_\_  
I picked up the 11. \_\_\_\_\_ and above the din I said  
"That's the last 12. \_\_\_\_\_ you'll ever sing"  
Held him down, 13. \_\_\_\_\_ his neck  
Taught him a 14. \_\_\_\_\_ he wouldn't forget

[Pre-Chorus]

But in my 15. \_\_\_\_\_ began to creep  
That old familiar tweet, tweet, tweet

[Chorus] x2

I opened my mouth to 16. \_\_\_\_\_ and shout  
I waved my 17. \_\_\_\_\_ and flapped about  
But I couldn't 18. \_\_\_\_\_ and I couldn't shout  
Couldn't 19. \_\_\_\_\_ and I couldn't shout

[Outro]

The Outro is the line "From my mouth" repeated over and over again. How many times was it repeated?
