Tom: I have had a few interesting jobs. I worked as a waiter when I was 18. Later, I have become a taxi driver. I have met many people in my job. Once, I drove a famous singer to the airport! I haven't travelled much, but I have been to Paris once. It was a great trip.

Linda: I love music. I have played the piano since I was ten. I played in a small band when I was in college. We gave concerts in different cities. I have never played in a big concert hall, but I hope to do it in the future. I have also learned how to play the guitar.

Mark: I enjoy outdoor activities. I have gone hiking many times. Last month, I hiked in the mountains with my friends. We saw beautiful views and took many pictures. I have also been camping, but I haven't been climbing yet.
