VI. Read the passage and decide whether the sentences are True (T) or Flase (F).

There's a lot of good stuff on TV, so I watch something most days of the week. It's the easiest thing to do when I get home from work and I'm too tired to go out or read a book. I watch quite a lot of documentaries and the news because I like to know what's happening in the world, and I'm also a big fan of reality shows like Big Brother.

In Big Brother they get real people together in a house for a few weeks, and because the house is full of cameras you can watch how they behave. Sometimes the people are celebrities. As a viewer you can decide which of the people you don't like, and then vote to evict them from the house – I love that!

32. The writer often enjoys watching TV.

33. It is hard to watch TV for relaxation.

34. Documentaries and news programmes are often outdated.

35. All reality shows must involve famous people.
