# What do you want to eat?

Listen and fill in the blank

## Part 1: Talking about snacks

I'm hungry. Do we have any \_\_\_\_\_? Let me check... We have \_\_\_\_\_ and \_\_\_\_\_. Do I want some? Hmm... I don't want \_\_\_\_\_. But I'll have \_\_\_\_\_! Alright! Here I go.

## Part 2: Asking about preferences

When I think about \_\_\_\_\_, I have so many choices! What do I want to eat? I think I want some \_\_\_\_\_ and \_\_\_\_\_. But what about other snacks? Maybe I should eat something crunchy, like \_\_\_\_\_, or something sweet, like \_\_\_\_\_. Oh, I also love \_\_\_\_\_! Do we have \_\_\_\_\_? I want some \_\_\_\_\_ with my snacks! Let me check... Oh no, we don't have \_\_\_\_\_. That's too bad. Maybe I can drink some juice instead, or just have \_\_\_\_\_.
