BEEKEEPING

1. Listen to a girl talking about her hobby – beekeeping.

- Who is she speaking to?
- How long has she done her hobby?

2. Listen again and decide if the sentences are true or false.

1. Libby got her bees as a birthday present.
2. Libby went on a beekeeping course with some other teenagers.
3. Libby loved beekeeping as soon as she tried it.
4. Libby does more for her bees in summer than in winter.
5. Libby thinks her bees know what she looks like.
6. Libby says it's good to have lots of bees in her hive.
7. Libby says collecting the honey is her favourite part of beekeeping.

3. Fill in the blanks with words from the text:

a) Libby started beekeeping after her mum received _____ as a gift.

b) Before taking care of the bees, Libby attended _____.

c) In winter, the bees stay _____, so Libby doesn't have much to do.

d) Libby collects honey _____ times in summer.

e) A single bee produces less than _____ of honey in its lifetime.
