

Power up

1 Prepare three sentences about activities you like to do: two true and one false. Work in small groups. Tell everyone your sentences. Can they guess which one is false?

Read on

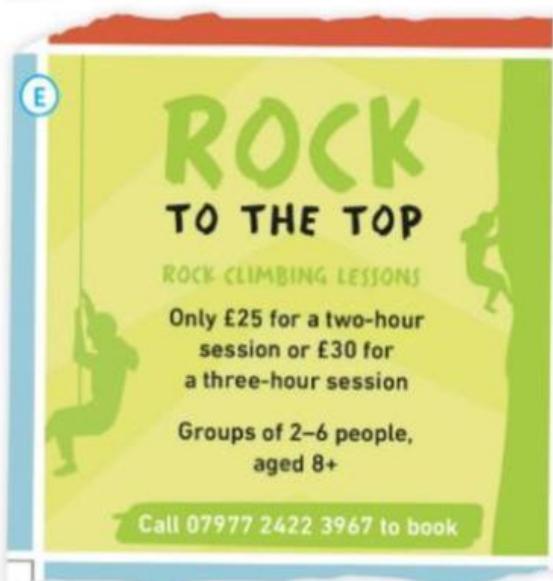

2 Match five of these words with the pictures (A–E). Work in pairs. Have you done any of these things or something similar? Which one would you like to try?

Comments:	<p>Hi! Can I please get some more information on your art classes? I would really like to know if you offer classes at the weekends. Sam</p>

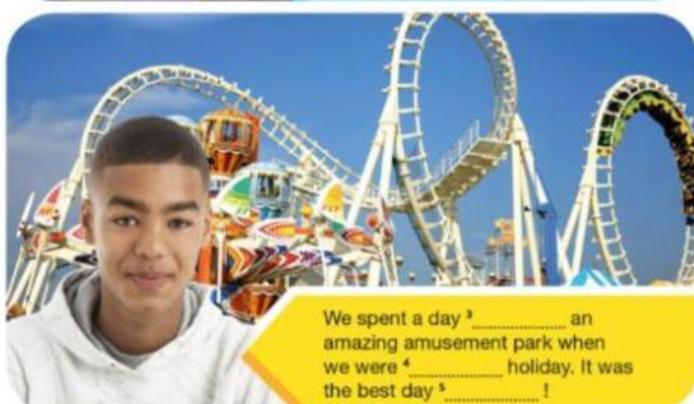

ANSWER THE QUESTIONS

- What has Katie Olonga learnt? How long was the course?
- What date is the festival? When does it take place?
- How much is the cheapest rock climbing lesson? Who can go rock climbing?
- Is the train ticket a single or return ticket? What time does it leave?

Listen up

5 Read what three young people say about places they visited. Complete what they say with these prepositions.

at (x2) from in on out to

Write on

Read the notice on a school noticeboard. Then write a paragraph about yourself (about 100 words).

Please supply a paragraph about yourself for your profile in the student area of the school website. Only other students at the school will be able to access this area.

Include answers to these questions:

- What do you do in your free time?
- What do you most like learning about at school?
- What do you hope to do this year that is new?

NOW LOOK AT THESE TWO PHOTOS

- What do they have in common?
- How are they different?

USEFUL PHRASES

BOTH PHOTOS SHOW....

IN THE FIRST PHOTO, THERE IS

IN THE SECOND PHOTO I SEE.....

In my opinion.....

I THINK....
