

Fill in the blanks with: there is, is there, there would be or it is

- \_\_\_\_\_ a bathroom?
- Oh, yeah, \_\_\_\_\_ just through there. \_\_\_\_\_ space in the closet. You can hang your clothes up in there if you want.
- Okay...I thought I was gonna get a couch.
- No, I said living room.

- And you know why they're the best players in the world?
- They have the best suits?
- \_\_\_\_\_ because they play together as a team, especially during adjournments.

Models are empty creatures. The camera lens fills them with color and texture, and, once in a while, even mystery. But just like \_\_\_\_\_ no mystery to a vacant lot, \_\_\_\_\_ just there until you put something interesting on top of it...Models are the same. They are just what you put on them.

- Oh, \_\_\_\_\_ no booze in the apartment.
- Didn't think \_\_\_\_\_.
- You're helping me now.
- Am I? 'Cause \_\_\_\_\_ looks more like I'm putting you to sleep.

I could have been stone-cold sober. \_\_\_\_\_ wouldn't have made the slightest difference.

**Put in the verbs in brackets in the correct form, Past Simple or Present Perfect**

You \_\_\_\_\_(do) anything like what I'm making you do now. We're playing serious chess. Workmanlike chess.

You're bored in the way you probably \_\_\_\_\_(be) when you \_\_\_\_\_(read) Reuben Fine's endgame analysis.

- How do you all know each other?
- A sad story, involving me, a bad breakup, and a walk through le Jardin du Luxembourg, where those two \_\_\_\_\_(stop) me from killing myself. Like I say, a sad story.

So, are you playing here today?  
Oh, God, no.  
I \_\_\_\_\_(play) in a few years now.

I heard you \_\_\_\_\_(be) gonna be here, so I came down for the weekend.
