- b) She works worldwide to promote education for all children, especially girls.
- c) She became one of the oldest Nobel Peace Prize winners for her efforts.

*The Grandmothers of Plaza de Mayo*

- a) They fought for the truth, even though it was dangerous.
- b) They worked hard to find missing children
- c) They helped many families by returning their children.

### 3. Join the concepts with their correct meaning

Identity		All children should be safe from harm and mistreatment
Health and Nutrition		It must be inclusive, accessible, and aimed at holistic development.
Family and Protection		Children have the right to share their thoughts and have a say in decisions that impact them.
Education		Every child has the right to grow up in a caring and safe place.
Recreation and Culture		Playing, sports, and cultural activities help lead to a healthy life.
Participation		Access to healthcare and a balanced diet is essential for growth and well-being.
Life and Physical Integrity		Children have the right to a name, nationality, and family ties.

### 4. Choose if the sentences are true or false

- a) Sumak kawsay means "good life" or "life in harmony" in Kichwa. \_\_
- b) Protecting children's rights helps create a society built on respect and working together. \_\_
- c) Every child deserves the same opportunities. \_\_\_\_
- d) A clean and safe environment is not important for children's growth and for the future. \_\_

**5. Identify your responsibilities as citizens and put them in the correct chart**

<p>_____</p> <p>We should also respect teachers and classmates and try their best to learn.</p>	<p>_____</p> <p>If we want to be treated with respect, we must also respect others, no matter their differences.</p>	<p>_____</p> <p>We should avoid pollution, recycle, and respect public spaces.</p>
<p>_____</p> <p>Laws keep us safe, but we need to follow them and behave responsibly to protect everyone.</p>		<p>_____</p> <p>We can share our ideas freely, but we should listen to others and not use our words to hurt or discriminate.</p>

Responsibility to study	Responsibility to Follow the Rules	Responsibility to Take Care of Nature
Responsibility to Respect Others' Opinions		Responsibility to Treat Others with Respect
