

# COGNATES AND FALSE COGNATES

Read the short Reading and identify the false cognates and cognates there.

## A Strange Experience in a Library

One day, **Antonio** decided to visit the **library** to find an **interesting** book about **history**. As he walked through the **section**, he saw a large **lecture** happening in one of the rooms. Curious, he entered and sat in a **comfortable** chair.

The speaker was an **actual** professor talking about the importance of **education**. Antonio listened carefully but was confused when the professor mentioned a **sensible** topic about emotions. He thought "sensible" meant "sensitive," but later realized it was a false friend!

After the **conference**, Antonio met a **sympathetic** woman who explained some words that sounded similar in Spanish and English but had different meanings. She was very **intelligent** and helped him understand more about these tricky words.

Antonio left the **library** feeling more **confident** about his English skills and excited to keep learning!

Now write the cognates in the correct place.

COGNATES	FALSE COGNATES
Biblioteca	conferencia
Interesante	Real
Historia	racional
Sección	congreso
Comodo	Compasivo
Educación	
Inteligente
