

Motivation at work

Instruction: Write the correct term under each definition.

Self-motivation / Incentive / Reward / Benefit / Performance

Enthusiasm / Praise / Recognition / Achievements / To appreciate

1. A feeling of excitement and eagerness about something.

2. The act of acknowledging someone's work or success.

3. Something extra given for good work or effort, like a bonus or gift.

4. To understand and value someone's effort or contribution.

5. A reason or encouragement to do something, often used in the workplace.

6. The ability to work well and stay committed without needing supervision.

7. The way someone completes a task, usually judged by quality and effectiveness.

8. Something that helps or is an advantage, such as health insurance or paid leave.

9. Words of approval or admiration for someone's efforts.

10. Successes or completed goals, especially in a job or career.
