

Laguerre RSI Indicator in MT4 Download - Free - [TradingFinder]

The **Laguerre RSI** indicator in **MetaTrader 4 indicators** is an advanced and improved version of the classic **RSI** displayed as an oscillator. This indicator reduces volatility, displaying oscillator values more accurately and examining price trends more precisely than the classic RSI.

The highlighted areas by this indicator mark significant points for identifying overbought (**Buy**) and oversold (**Sell**) zones in the market. Traders can adjust the coefficient to increase the number of signals according to their strategy.
