My name's Minh, and I live in Đà Nẵng. My family used to live in a small house near the beach. Every weekend, my family would go to the beach together. We used to spend the day playing in the sand and swimming in the sea. My father loved fishing, so he often brought his fishing gear with him. My mother would prepare food for a picnic, and we would enjoy fresh seafood that my father caught.

In the afternoon, my brother and I used to fly kites on the beach. We also built sandcastles and collected seashells. My father taught us how to identify different kinds of fish, while my mother would tell us stories about the sea. Those weekends were some of the best moments of my childhood.
