

SPEAK ENGLISH - JUST AS I AM AIR SUPPLY

I've had a lot of big dream.
I've made a lot of bad moves
I know you could walk away
But you never do

I've met a lot of cold hearts
I've learned to smile and deceive
I know I'm hard to be around
But you never leave

And I'm not easy to understand
But you hold out your hand

And you say you love me just as I am
You always treat me the best that you
can
You say you want me, need me
Love me, baby, just as I am, just as I am

I've made a lot of heartaches
I've found a lot of closed doors
When all the others turn away
You love me more, you love me more

And I'm not easy to understand
But you hold out your hand

And you say you love me just as I am
You always treat me the best that you
can
You say you want me, need me
Love me, baby, just as I am, just as I am

I want to love forever
To keep our world together
And be the best that I can be
Baby, every time the world caves in on
me

You say you love me just as I am
You always treat me the best that you
can
You say you want me, need me
Love me, baby, just as I am, just as I am

You say you love me just as I am
You always treat me the best that you
can
You say you want me, need me
Love me, baby, just as I am, just as I am
