TASK 2: Stress the Words Aloud

Instructions:

Read the following sentences aloud, stressing the correct word based on the pattern. Practice with a partner or record yourself to check your pronunciation.

1."She gave a great presentation on the new project."

2."We need to improve our performance in the next test."

3."The contract will be signed at the end of this month."

4."He will complete his training by the end of the year."

5."I need to research the topic before writing the report."
