

WRITING AN EMAIL

Read this email from your English-speaking friend Stevie, and the notes you have made.

From: Stevie

As part of a school project, I have to write about a city which people often visit. I'd like to write about a city in your country. Can you suggest one? *What about ...?*

Which time of year is the most popular with tourists? *Tell Stevie.*

I don't know much about your city. What's it like? *Describe it.*

What can tourists do there? *Tell Stevie.*

See you soon,
Stevie
