CODING FOR KIDS

I'm taking part in a great course now. It's called Coding for Kids. We are learning to write computer programs. It's fun!

The course is on Monday and Wednesday afternoons at the local library. I'm in a team with Jake and Becky. Jake is in year 7 at our school and Becky is my classmate. We have a really cool teacher – her name is Sue. She writes smartphone apps at work and she knows a lot about computers!

Right now I'm at home and I'm doing my homework for the course. I'm working with Jake and Becky, but they're not here – Jake's at home and Becky is in the computer lab at school. We are writing a program to help us review vocabulary for our French classes. It's not easy, but Sue is helping us.
