Past Simple vs Present Perfect
Past modals: should have done

Fill in the blanks with the correct form of the verbs in brackets (Past Simple or Present Perfect)

- You know, most times when people tell us something's for the best, it's for the worst. This time it's true, okay? I'll be right back

  .....

- Take Christopher back inside right now. What are you doing here?
- I _____(come) to say you _____(be) right. I _____(be) wrong... Beth's in the car, just so you are aware.
- No, Jesus! Alice! It _____(be) five years. You can't just show up here!
- I _____(come) because I can't do this. I feel that I am letting her down.
- You cannot be here. Listen to me. I need you to get back in the car, and you'll come back. We'll talk another time.
- We can talk now.
- No, we can't talk now. No, you shouldn't have brought her here! Why did you bring her here?
- Because I need your help!
- It's too late! Please go.

- Christian Crusade already _____(invest) a good deal of money. We _____(pay) for your last trip to San Francisco. We _____(be) all very proud of you. And we already _____(spend) a good deal more on your upcoming trip to the Soviet Union.
- Okay. Fine. I'll give it all back.

Fill in the blanks with the correct form of the verbs in brackets

- Benny?
- Are you kidding me? First, you don't come back to New York, and you basically tell me that you'd rather be a drunk than be with me. Now you pull this crap? No, you can fucking well go alone.
- Maybe I shouldn't _____(do) it. Maybe I didn't have to give the money back.
- Maybe? Maybe is a loser's word, Beth.
- Benny...
- Don't call me anymore.

- How did you even get a visa so fast?
- The newspaper helped me. I'm an associate editor now. And the Moscow Embassy.
- Really?
- Yeah. I'm guessing they thought I'd distract you. If they only knew.
- I know you were angry with me. And I'm sorry. I should _____(tell) you the whole story.
- No.I'm sorry. I should _____(let) you.
- I will admit... I was a little...Confused. You really are something.
