

# 3 MOTHER

**phonetic transcription**  
[ˈmʌðə]  
Voiced TH /ð/.

**Place of articulation**  
Interdental

Interdental sounds are made by placing the tongue between both the upper and lower teeth.

**Manner of articulation**  
Fricative

A fricative is produced by creating a narrow passageway for air to escape the mouth.

**Example**  
Her mother loves cooking
