## UNIT 11: ON THE MOVE!

### Week 32 - Worksheet

#### Task 1: Read. Write T for True or F for False.

What do you do on your weekends? Some children visit parks or shopping malls, but children in Green Valley enjoy different activities. Every Saturday, they go to a small farm near their village. There aren't any big playgrounds or parks there. But they can take care of animals, grow vegetables, and learn about farming. The children wake up early to go to the farm at 6 a.m. They love feeding the chickens and playing with the goats. The farm is very safe, and the children always have fun!
