Meet Ro-Ro Junior, our new robot to help children!

Do you have a lot of homework? No problem! Ro-Ro Junior can help. Choose the subject and type your question. Ro-Ro can speak ten languages and he is fantastic at Maths and Science too. It is like having a teacher in your room!

Do you have housework to do? No problem! Ro-Ro Junior can help! He can dust and sweep. He can clean and tidy too. He can walk your dog but he can't bath your pet. Ro-Ro mustn't get wet!

Do you need help with your music practice? No problem! Ro-Ro Junior can help. Choose from five different musical instruments – piano, violin, drums, flute or trumpet. Ro-Ro will play along with you as you practise.

Are you an only child with no brothers or sisters to play with? Are you interested in Chinese chess or basketball? No problem! Ro-Ro Junior can help. He can play board games and ball games – with 30 games to choose from, you won't get bored!

Ro-Ro Junior, the new robot for children. Only $8,888 **!**
