Reading. Read about John's day

I usually get up very early at about 5:30. I take a shower from 5:40 to 5:50 then I have breakfast with my wife at 6:00 and then I leave for work at 6:30. I go to work by train and I get to the office just before at nine.

When I arrive at the office, I always check my email, I get a lot of messages from different countries, then I usually prepare a project with my team from 10 to 11.

I have lunch in the office cafeteria at 12. The food isn't very good, but it's acceptable. After lunch I sometimes meet my clients or write my reports. I usually finish work at 5 o'clock, but very often I have overtime, I arrive home one hour later and have dinner with my family. In the evening, I help my children with their homework and watch television with my wife. Sometimes, I walk the dog and I go to bed at 10.
