

READING

1 Read the texts quickly. What kind of books do the boys read?

Uri

Ned

Mike

What do you read?

Three students tell us about what they read

Uri

I read a lot but it's not story books that I read. I'm a mountain climber at weekends, and I read two or three magazines a month about my sport. There are some great books about it, too – I'd like to write one myself in the future. It's only since I've been a climber that I've started reading in my free time. Before that, I didn't enjoy it much. I sometimes go on climbing websites, but I don't like reading a lot of text on a screen.

Ned

I read school textbooks but I've never picked up a book to read for fun. My parents gave me lots of books to read when I was young but I wasn't really interested. Perhaps I will be when I'm older, but at the moment, I spend a lot of time reading online. I can't take my phone to school, but I look at the news at least once a day on my phone, and I like reading about what my friends are doing.

Mike

I've always read a lot, ever since I was a young boy, and I always will. I read all kinds of things, from comics to science magazines. I also download a lot of funny ebooks and keep them on my tablet, which I take everywhere. It's great having hundreds of books on that because then, when I'm waiting for a bus or I'm bored at lunchtime, I can read one. I read things online too, but that's usually finding information for homework.
