

YOU'LL BE IN MY HEART

Come, stop your crying
It all right
Just take my hand
Hold it tight

I you
From all around you
I will be here
Don't you cry

For one so small
You seem so strong
My arms you
Keep you safe and warm
This bond between us
Can't be broken
I will be here
Don't you cry

'Cause you in my heart
Yes, you'll be in my heart
From this day on
Now and forever more

You'll be in my heart
No matter what they say
 here in my heart, always

Why **can** / **can't** they understand
The way we **feel** / **felt**
They just **don't** / **do** trust
What they can't explain
I **now** / **know** we're different but
Deep inside us
We're not that different at all

And you'll be in my heart
Yes, you'll be in my heart
From this day **in/on**
Now and forever more

Don't listen to **them/they**
'Cause what do they know?
We need each **another/other**
To **have/has**, to hold
They'll see in time
I know

When destiny calls you
You must be strong
I may not be with you
But you've got to hold on
They'll see in time
I know
We'll show them together

'Cause you'll be in my heart
Believe me, you'll be in my heart
I'll be there from this day on
Now and forever more

Oh, you'll be in my heart
(You'll be here in my heart)
No matter what they say
(I'll be with you)
You'll be here in my heart, always
(I'll be there always)
Always

I'll be with you
I'll be there for you always
Always and always
Just look over your shoulder
Just look over your shoulder
Just look over your shoulder
I'll be there always
