Hi Tom,

How are you? I'm writing about our plan to meet up next month. The (1) finishes on the 17th of July and then I'm free! If I fail any exams, I'll have to (2) them in the autumn and do some studying over the summer. But if I get good (3), then my parents say that I can come and stay with you for two weeks! In order to pass the exam they take an average of your exam mark and your (4) mark. So I'm feeling quite confident because I've worked really hard this year. Unfortunately, Magda can't come with me because she was caught (5) in an exam and her parents won't let her go on holiday. She really regrets it now. See you soon!
