

Cartoon	 Snow White
Main Idea	Jealousy may cause harm, but kindness, innocence, and goodness can overcome it.
Supporting ideas	
(Examples)	

For example, she tricks Snow White into eating a poisoned apple.

Eventually, Snow White is saved by love, and the Queen is punished, proving that kindness and innocence can overcome evil.

In the beginning, Snow White lives happily with the dwarfs and cares for animals.

Because of this, her goodness and beauty make her loved by many, which makes the Queen feel jealous and angry. She wants to do something bad.
