Subject: Our wildlife area plan

Hello

We are the students of Class 5A at Wyken Primary School. We want to try to help the environment and we'd like to make a community park and a play area. We think it ^{1}_____ be in Wyken Park and we have a plan. First, we have to ^{2}_____ up the weeds and cut the grass. Then, we have to ^{3}_____ some seeds and grow some vegetables. We also want to make a ^{4}_____ area for animals. We want to ^{5}_____ the birds, so that lots of birds come here. We would like the wildlife area to have a pond and rocks for frogs. There ^{6}_____ also be lots of bins in the community park, so people don't drop ^{7}_____. The park ^{8}_____ to have different bins, too, so people can ^{9}_____ glass, plastic and paper.
   We think a community park and play area is a good idea for the community. Can we present our project to you on Friday afternoon? We ^{10}_____ have to go to class on Friday afternoon.
Thank you!

Wyken Primary School

2. Read and **complete**. Use the words in the box. There are **two extra options**.

don't have to   have   pick up   should   shouldn't   swap   turn off   waste

Jamie The recycling project starts tomorrow.
Maya OK, let's check we've got everything. Have we got posters about the different things that we ^{1}_____ do?
Jamie Yes, we've got posters that say we ^{2}_____ to recycle plastic, ^{3}_____ lights and ^{4}_____ clothes. But we need some posters that say what people ^{5}_____ do.
Maya What do you mean?
Jamie Well, we have to tell people that they shouldn't ^{6}_____ food and that they shouldn't drop litter.
Maya Ah, good idea! Let's make some quickly!   / 6

3. Look at the chart and **complete** the sentences.

Save the Park project: our jobs for this week
