

Name:

The Knight

Knights are very brave.

A knight would guard the castle where the king and queen lived.

They had a knack on how to put their armor on.

Their armor and shield was to protect their body, knees, and

knuckles. Knights even had their own horse.

I want to be a knight!

Read the story three times and answer the questions in complete sentences.

1. Who guarded the castle?

2. What did knights have a knack for?

3. What did their armour protect?

4. Write four kn words from the story.
