Symbols of Justice

symbol = a thing or picture used to show an idea

justice = treating people fairly; giving people the consequences they deserve for their actions

For 500 years or more, we have used a blindfolded (can't see) woman holding a sword and balance scales to symbolize justice.

THINK! Why would we use that symbol?

Analyze (break into parts) the symbol. Tell how each part relates to the idea of justice.

blindfold- _____
