

Tom is a student at the university in London.

He studies history there. He is the first year student .

But Tom is a bad student .

Every day he is very, very "busy".

His alarm clock rings at 7:00 o'clock. But he usually turns over and goes to sleep because he's tired. Sometimes, he throws the alarm clock across the room. So he wakes up late, at about 8:30 o'clock. And he runs to the bathroom to wash and brush his teeth. He doesn't have time to have a shower.

He doesn't have time to eat and he has to drink his tea in a hurry!

He takes his bag and runs to the bus stop to catch his bus. He gets to university only at 9:30. Every morning Tom is late to the first lesson.

Tom comes home at about 16:00 o'clock and he has dinner. After dinner, he sometimes watches TV, plays the guitar but he usually goes out with friends

Tom never does his homework.

He comes late at 2 or 3 o'clock at night.... and he goes to bed because he is always very tired at this time.

And tomorrow he has another "busy" day!
