

# Die with a smile

I, I just \_\_\_\_\_ from a dream  
Where you and I had to say goodbye  
And I don't know what it all means  
But since I survived, I realized  
Wherever you go, that's where I'll follow  
Nobody's promised \_\_\_\_\_  
So I'ma love you every night like it's the last night  
Like it's the last night  
If the \_\_\_\_\_ was ending, I'd wanna be next to you  
If the party was over and our time on Earth was through  
I'd wanna hold you just for a while and die with a \_\_\_\_\_  
If the world was ending, I'd wanna be next to you  
Ooh  
Ooh, lost, lost in the words that we scream  
I don't even wanna do this \_\_\_\_\_  
'Cause you already know what you mean to me  
And our love's the only war worth fighting for  
Wherever you go, that's where I'll follow  
Nobody's promised tomorrow  
So I'ma love you every night like it's the last \_\_\_\_\_  
Like it's the last night  
If the world was ending, I'd wanna be next to \_\_\_\_\_  
If the party was over and our time on Earth was through  
I'd wanna hold you just for a while and \_\_\_\_\_ with a smile  
If the world was ending, I'd wanna be next to you  
///Right next to you///  
If the world was ending, I'd wanna be next to you  
If the \_\_\_\_\_ was over and our time on Earth was through  
I'd wanna hold you just for a while and die with a smile  
//If the world was ending, I'd \_\_\_\_\_ be next to you//
