JENNIFER'S LIFE PLAN

1. **Complete Jennifer's life plan using "going" to and the verb in brackets. DON'T USE CONTRACTIONS**

My name is Jennifer, I am sixteen and I'm studying high school at the moment. Since I was very young, I knew exactly what I wanted for my life, so I wrote a life plan to achieve all my goals.

About my professional life, I _____ (finish) high school in three years and with good grades because I_____ (study) medicine at C.U. After that, I _____ (study) the specialization in neurology. I _____ (be) one of the best students in my class because I want to work in "Los Angeles" hospital.

About my personal life, I _____ (get) married with my best friend around the age of 27 or 30 and we _____ (have) two or three children. I _____ (save) money and I _____ (buy) a house in the south of Mexico City, so I can live near my job.
I _____ (keep on) saving money because when I get retired from my job, I _____ (have) enough money to move to San Miguel de Allende with my husband and buy a house there.

I hope I can accomplish my life plan, because I _____ (do) everything right.
