

Some remedies and suggestions you can give to someone who doesn't feel well

1 take something

2 lie down

3 have some tea

4 see a doctor / see a dentist

GRAMMAR • **Should + base form for suggestions**

Use **should** with the base form of a verb.

I  
You  
He  
She  
We  
They

should take something.  
shouldn't go to work.

Listen to the conversations. Check the correct ailments.  
Then complete the suggestion for a remedy each person gives.  
Use **should**.

	Cold	Fever	Headache	Stomachache	Sore Throat	Backache	toothache	Remedy
1								She <b>should take something</b>
2								He
3								She
4								He
5								She
6								He
