

Doctor: Good morning. What seems to be the problem?

Patient: Good morning, doctor. I have a terrible _____ and a bad _____..

Doctor: I see. Do you also have a _____?

Patient: Yes, I felt very hot last night, and I couldn't sleep well.

Doctor: Let me check your temperature. Hmm... yes, it's a bit high. You should take some _____ and get plenty of _____.

Patient: Okay. Can I take anything for my sore throat?

Doctor: Yes, I'll give you a _____ for some _____ and throat lozenges.

Patient: Thank you. Where can I get the medicine?

Doctor: You can go to the nearest _____. Make sure to _____ lots of fluids too.

Patient: I will. Thank you, doctor!

Doctor: You're welcome. Get well soon!
