

You have recently done some house clean up and repair. Now, you have some things to take to the dump. Lucky for you, the North Surrey Recycling and Waste Center is nearby. Here are the things you are throwing away:

1. 50 kg garbage
2. 1 mattress
3. 2 tires
4. A broken washing machine
5. Used motor oil (from a recent oil change)
6. Some old clothing and books
7. Broken plastic deck furniture

Go to the NORTH SURREY RECYCLING AND WASTE CENTER website (click link or scan QR). Read the information on the website to find out what to do with your garbage.
