

health and illness

1 Complete the information with the words in the box.

emergency medical prescription results
surgery symptoms treatment virus

In an ¹....., call 999 . Otherwise, for other
²..... problems, make an appointment to see
a doctor.

Note down your ³..... so you can remember
them when you visit the ⁴......

Your doctor will listen to you and decide on the best
⁵....., e.g. bed rest or painkillers. The doctor
may decide you need more tests and wait for the
⁶..... of those.

When you need medicine, the doctor will give you a
⁷..... . Take this to a chemist's. Remember that
when you have a ⁸..... like the flu, it's better
not to visit your doctor because other people can
become ill.
