

GENERATION Z

They were born with their _____ already scrolling and their eyes perfectly adjusted to _____ light. Generation Z doesn't remember a world without _____ — they practically breathe data and dream in memes. Raised alongside _____ and social justice hashtags, they speak fluent _____ and code-switch between TikTok trends and climate change activism without missing a beat.

They're the generation that _____ faster than you can say, "Back in my day..." and they'll fact-check you mid-conversation (respectfully... or not). They care — deeply — about the planet, equality, and _____, but also love a good "hot take" and ironic humour that'll leave _____ scratching their heads.

To some, they're screen-addicted rebels. To others, they're _____ pioneers redefining what it means to connect, create, and care. They've turned boredom into business with side hustles, turned _____ into self-expression, and made the internet a stage for activism, artistry, and absurdity.

Love them or _____ them — Gen Z is here, loud, proud, and probably already making a playlist or protest sign as you read this.
